Dear Sirs,

**Re: The statue removed from the podium of
Haking Wong Building (the "Statue")**

We act for the University of Hong Kong and we refer to your letter to Messrs. Mayer Brown ("MB") of 12th October 2021.

Although we understand that neither our client nor MB had received further communication from you after the said letter, we assume that you are still acting for Mr. Jens Galschiøt Christophersen concerning the Statue. We note from your said letter to MB that you understood your client to be the rightful owner of the Statue and your client is willing to remove it.

The Statue has been removed from campus and is now in storage. Our client will agree to reasonable arrangement for collection of the Statue by its owner. If your client maintains his claim to be the rightful owner of the Statue, please liaise with us for the arrangement to collect it from our client's storage as soon as practicable.

Yours faithfully,

P.C. Woo & Co.
